6-10, 11-14

Social Savvy: Building Relational Skills

Workshops for kids and adolescents struggling with:

- making and keeping friends
- successfully navigating social interactions
- connecting with peers

Workshop will include:

- Expert instruction and "teachable moments" with practice in realistic settings
- Establish a sense of belonging within peer relationships
- Effective guidance to foster self-awareness and positive self-esteem and self-worth
- Build language skills to establish secure peer relationships
